

N.J.P.M.A. Swimming Championships Site Qualifications and Acceptance Agreement

Pool facility has standard size 25m, starting depth minimum of 5', 6 lanes with acceptable competitive racing lanes, anchored starting blocks/platforms that conform to USS safety standards, removable ladders or figure 4 ladders in the competitive swimming area, filtration and sanitizing systems acceptable to the New Jersey State Sanitary Code, Chapter IX, Public Recreational Bathing N.J.A.C. 8:26-1 et seq.

Pool facility has safety equipment and markings required for normal operations. (acceptable first aid room and kit, spinal management equipment, pool side rescue equipment, deep water safety line, depth markings and "no diving" where required, operational phone with back-up, etc.). Pool facility can supply adequate seating and parking area for a large number of spectators, workers, and competitors. Pool facility is available from 7 AM to 1:30 PM if fair weather prevails. Rain delays may extend this time.

Pool management and host club assumes responsibility for proper and safe staffing of all accessible pools, buildings, and grounds at the host site, and for the pre-meet inspection of the pools, buildings, and grounds.

Poolside tables will be set up for the meet management, announcing, and awards presentations. A public address system will be operational by 7:30 AM.

The host club may supply sales and vending of food and beverage. The Executive Board of the N.J.P.M.A does not permit the sales of swimming products, clothing, and athletic - aquatic accessories at a N.J.P.M.A. Championship Meet without prior approval.

In the event of unsafe weather, facility, and/or pool conditions, the Meet Director has the authority to postpone the meet. The host club will communicate all concerns and needs to the Chairperson of the Championship Committee.

Does your facility have a written crisis management plan for dealing with members, victims, authorities, parents, and media in the event of an accident or incident of abuse? _____ .
